

laKendò table

Design Angelo Pinaffo

The laKendò table is a flexible and space-saving solution for conference rooms, meeting areas and training facilities in general. Equipped with two elegantly shaped castors, a flip-top mechanism and a compact HPL table top, this table can be easily moved and conveniently nested by just one person to arrange and rearrange multi-functional spaces. The laKendò table features a wide range of colour options to tickle the fancy of designers and architects in their interior design projects, as well as a functional linking device.
