ECLIPSE

Design Angelo Pinaffo

Famiglia di sedute nata per celebrare i 50 anni dallo sbarco sulla luna: una linea continua, curva come le orbite ellittiche dei pianeti, genera una seduta pulita ed essenziale, che trasmette leggerezza. Eclipse, dal richiamo vintage, è una sedia dal perfetto bilanciamento tra comfort ed estetica. Le molteplici versioni consentono l'utilizzo del prodotto in diversi ambienti: dagli spazi pubblici alla casa. Telaio in metallo verniciato con polveri epossidiche o cromato. Monoscazza in polipropilene rinforzato fibra di vetro, contenente di serie l'additivo anti UV, anche nella versione autoestinguente.

Family of chairs created to celebrate the 50th anniversary of the moon landing. A continuous line, curved like the elliptical orbits of the spherical planets, generates a clean and essential seat, which conveys lightness. Eclipse, with a vintage appeal, is a chair with a perfect balance between comfort and aesthetics. The numerous versions allows the product to be used in different environments: from public spaces to the house. Epoxy-coated or chromed-plated metal frame. Fiberglass-reinforced polypropylene monocoque with anti-UV treatment, even in the flame retardant version.
