

015 SMALL LITTER BINS Design Alberto Basaglia Natalia Rota Nodari

Single, double or triple, the 015 litter bin is perfect for collecting waste in public places. Spacious and hard-wearing, it is ideal for sorting waste with its strong, durable structure.

Bent pipe structure, diameter 18mm, made of polyester powder coated steel tube and hot-dip galvanized steel. Ready-equipped for fastening to the ground with bolts, the litter bins can hold 29, 58 or 87 litres respectively.
