

.h24 FLAT BENCH Design Alberto Basaglia Natalia Rota Nodari

The very essence of the h24 collection. In its basic form, it epitomises the quest for a designer product that also respects the environment. The materials, with a technological design to eliminate maintenance, do not impact the environment and are 100% recyclable.

Hot-dip galvanized steel metal structure. Epoxy powder painted aluminium slats in different colours or decorated with heat transfer film for a natural ash wood grain effect. Ready-equipped for fastening to the ground with bolts or joined together using steel plates.
