

MOONTABLE Design Diemmebi R&D

The rhythm of the moon's phases has guided humanity for millennia. Moontable, the latest table in the Urbantime collection, accompanies your desires in a perfect game where the same pairs of legs can be matched to the table top you prefer. Select the colour and be ready to take off!

Table top and legs are packed separately in order to optimize shipment. Moontable is painted with polyester powder, the perfect coating for outdoor products.
